Job Description

The Opportunity

As Teneo continue to grow our operations in Asia-Pacific, we are looking for a high calibre candidate to join our dynamic and professional Strategy and Communications team as a Vice President in Tokyo. This is a unique opportunity for a driven, self-motivated candidate to develop a successful career in a dynamic, growing international advisory company.

A Vice President at Teneo plays a pivotal role in providing the highest quality of service to our clients. They act as the day-to-day lead for all client projects and oversee team delivery. They have an established and trusted relationship with clients and are the go-to advisor. Vice Presidents set high standards and provide quality control for all client work prior to sign-off where needed. They also create a positive team environment ensuring everyone has a clear role and opportunity to learn and develop.

Responsibilities:

- Provides day-to-day client team direction and management and acts as a proactive coach and mentor across teams
- Develop and manage communications plans and campaigns on behalf of clients
- Responsible for formulating strategic plans, press releases, memos, and distributed media materials; managing messages; and coordinating client program activities
- Contributes to new business lead development and pitches and plays an active role in growing clients organically

- Leads day-to-day client activity, ensuring high standards and establishing strong client relationships across the organization
 - Provides in-depth knowledge of client's business and industries and ensures teams are fully briefed
 - Demonstrates a good understanding of other areas of expertise within the business and actively shares knowledge with clients
 - Keeps well informed and uses a broad range of sources to build opinion and ideas. Takes personal responsibility for investing in own development, seeking opportunities to learn new things and broaden skills
-

Required Skills

Requirements:

- 8 - 12 years related experience in a similar environment within corporate communications, financial communications or media with a preference for experience within financial communications
- Experience working in a communications consulting or agency set up
- Strong organizational skills with the ability to execute multi-platform communications strategies
- A deep understanding and broad resources in media and media relations expertise
- Demonstrated leadership in managing multiple stakeholders while maintaining good relationships
- Bilingual with native Japanese and English fluency
- Bachelor's Degree or equivalent in Communications, Journalism, Marketing or Finance is an advantage
- International experience (study and/or work) a plus
- Have a strong appetite for global news and macroeconomic/finance events
- Ability to be confident, agile and proactive
- Be a team player
- Must display a strong work ethic, high standards and commitment to the role
