### Job Description

**About the job**

Our client stands as a formidable pillar in the realm of artistic excellence, ceaselessly creating experiences that transcend the mundane and challenge conventional boundaries. With a rich history of pioneering pursuits, this entity is fueled by an insatiable desire for boundless creativity and innovation. As a revered leader in reshaping global perceptions and delivering profound impacts worldwide, their commitment to crafting deeply impactful moments is widely recognized and respected. By masterfully blending sublime artistry with the cutting edge of modern technology, they consistently set new standards and lead the charge toward a future where the convergence of creativity, technology, and visionary thinking is not just possible but thriving. This firm champions an ethos where relentless pursuit of innovation and artistic excellence continually expands the frontiers of what can be achieved in the creative domain.

- Navigate the complexities of commercial agreements, ensuring alignment with the organization's strategic imperatives while safeguarding legal and ethical standards.
- Cultivate and protect intellectual assets, orchestrating a comprehensive strategy that balances innovation with rigorous enforcement of intellectual property rights.

- Architect and manage licensing endeavors to maximize value and ensure compliance with the broader vision and operational needs.
  - Deliver incisive legal counsel across the organization, partnering with diverse teams to weave legal insight into business fabrics.
  - Identify and address potential legal exposures, developing preemptive strategies to fortify the organization against foreseeable challenges.
  - Stay ahead of regulatory shifts and adjust corporate policies to maintain compliance and harness opportunities within the dynamic global regulatory environment.
  - Lead negotiations with key external partners, championing the organization's interests and securing strategic advantages through skillful diplomacy.
  - Educate and empower internal teams with legal knowledge, fostering an environment where legal compliance is inextricably linked to every initiative.
- 

## Required Skills

- Must be a qualified Bengoshi with at least 1-2 years of professional experience in commercial law, honed in dynamic, creative industries or similarly multifaceted environments.
  - Profound knowledge of intellectual property, commercial contracting, licensing, and the nuances of corporate governance within a global context.
  - Native Japanese speaker with fluency in English, adept at translating complex legal concepts into clear, actionable guidance for varied audiences.
  - A visionary strategist equipped to anticipate and navigate the intricate legal landscapes of tomorrow.
  - Adaptable and resilient, adept at managing the pressures and challenges of a fast-evolving creative sector.
  - A leader and mentor committed to nurturing talent, promoting a culture of professional growth and collective achievement.
  - Meticulous and proactive, continuously enhancing frameworks to protect the organization and its creative endeavors.
-
