Job Description

Job Summary:

The Strategic Lead will be responsible for achieving revenue & demand targets while maximizing ROI/ROAS by optimizing budget allocation and resource utilization. Engage with stakeholders in planning, designing and deployment of strategy. Independently lead individual brands and initiatives aligned to the stakeholder agenda and priorities. Primarily responsible for key stakeholder relationships within targeted accounts, develop deep understanding of individual customer needs and identify mutually beneficial solutions for both WPIC and customers through creation and execution of account business plans. Identify clear trends in the data related to team operations, recommend business improvements, and clearly

communicate insights.

Who We Are:

WPIC Marketing + Technologies drives revenue for global brands in China, Japan, Korea, and SEA through data, analytics, e-commerce solutions, warehousing and logistics, and essential support services. Founded in Canada, with more than 350 employees in offices across 9 cities, WPIC is the world's leading APAC e-commerce and technology consultancy. Our team provides end-to-end market entry and growth solutions for global brands looking to succeed in APAC. With more than 19 years of on-the-ground experience, WPIC has successfully deployed over 650 organizations in the APAC region.
