- Prior experience in retail business (stock, contracts, cash collection, etc.)
- Native level Japanese; fluent level English

Company Description

We've been a driving force in the Japanese bilingual recruitment market providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker and we never push people into unsuitable roles.
