Job Description

As an Accountant for this company, you will be tasked with providing finance related support for the businesses financial controls and decision-making. Your teamwork and financial knowledge will help drive the success of this growing team.

Client Details

My client is an international supplier of precision instrumentation for a wide variety of industries that include Medical Device, Electronics and Energy. The company's mission is to provide customers with high-performance products and solutions that enhance productivity and innovation across many industries.

Description

Some key responsibilities of this position include:

- Compile and analyze account information to prepare entries for Accounts Receivable (A/R), Accounts Payable (A/P), Fixed Assets (F/A), and General Ledger (GL).
- Clarify accounting procedures, policies, and regulations by responding to inquiries.
- Assist in the preparation of financial reports for internal use, tax filings, or audits by analyzing and summarizing

- account information and trends.
- Substantiate financial transactions by reviewing and verifying supporting documentation.
- Verify supporting documentation to prepare payments accurately.

Job Offer

Some benefits of this position include:

- Career-up opportunity for the future.
- Hybrid (WFH 2-3 days a week)
- Little overtime

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Gunnar Borgstrom at +81 3 6832 8660.

Required Skills

Requirements for this position include:

- Fluent Japanese, Business English
- Accumulate over 3 years of experience in finance or accounting, preferably including multinational company experience.
- Demonstrate knowledge of applicable accounting principles, laws, and regulations in Japan; familiarity with IFRS is advantageous.
- Experience with SAP software is highly desirable.
- Have a good understanding of relevant accounting regulations and legislation's.
