Job Description

As a Finance Manager for this position, you will oversee and manage all accounting and financial operations for the company. In addition, you will need to ensure compliance with all external and in internal policies and procedures.

Client Details

My client is a global leader in musculoskeletal healthcare, specializing in innovative solutions for orthopedic surgery, including implants and surgical instruments. The company is known for its commitment to advancing the field through research, development, and collaboration with health-care professionals worldwide.

Description

Some key responsibilities include:

- Ensure adherence to local statutory and regulatory requirements including statutory audits, tax filings, and regulatory compliance; manage local statutory reporting as necessary.
- Serve as the primary contact for country business finance and cross-functional teams such as Tax, Treasury, Marketing, and Medical Education.

- Align local processes, Standard Operating Procedures (SOPs), and systems with Global Policies; ensure effective internal controls and compliant delivery to local stakeholders.

Job Offer

Some benefits of this position include:

- Office 1 day per week
- Competitive salary
- Career-up

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Gunnar Borgstrom at +81 3 6832 8660.

Required Skills

Requirements for this position include:

- Minimum of 10 years of experience in Finance and Accounting.
 - Knowledge of USGAAP
 - Medical Device or Health-care experience preferred.
 - Experience with SAP or Hyperion.
 - Proficient in Microsoft Office applications.
-
