**Responsibilities:**

- Lead and direct finance personnel, overseeing HR matters, performance appraisals, and professional development
- Support revenue, contract, and project reporting and forecasting for business units, ensuring compliance with GAAP
- Act as a strategic financial advisor to business unit leaders, providing analysis and action plans to achieve corporate goals
- Provide guidance and support to Business Unit Controllers, ensuring policy compliance and financial accuracy
- Oversee project financials, ensuring GAAP-compliant revenue recognition and profitability assessment
- Review Business Unit Profit & Loss Statements, identifying trends and advising on performance improvements
- Ensure compliance with corporate financial reporting requirements and support annual budgeting processes
- Lead financial negotiations and support contract proposals to meet corporate financial goals

**Requirements:**

- Bachelor's degree or above in Business, Accounting, Finance, or related field
- More than 10 years of progressive financial experience in a Contract Research Organisation or pharmaceutical environment
- Proficient in accounting software packages, particularly Oracle Finance
- Skilled in MS Office Suite
- Fluent level English

**Company Description**

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
