### Job Description

The E-commerce Operation Specialist oversees sales planning, operational optimization, and website analysis to maximize sales potential, collaborating closely with the E-commerce Manager.

There is a long-term career path for the person who will join the brand in this position.

#### Client Details

A leading brand in the premium/luxury goods industry, our client prioritizes innovation and excellence in every aspect of its operations.

With a global presence and a commitment to fostering talent, our client offers a stimulating environment for professional growth.

#### Description

- Monitor various platforms to ensure seamless order fulfillment and troubleshoot any issues.
- Collaborate with internal teams and external partners to streamline shipping operations and maintain accurate

inventory levels.

- Develop and implement strategic initiatives to drive long-term growth in the Japanese e-commerce market.
- Coordinate with IT and marketing teams to optimize website performance and enhance online visibility through SEO and SEM strategies.

#### **Job Offer**

- Opportunity to work with a renowned luxury brand in a fast-paced and innovative environment.
- Competitive salary and benefits package.
- Potential for professional development and growth within the company.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Thibaut Silvestre on +813 6832 8927.

---

#### **Required Skills**

- Proficient in Excel with strong analytical and organizational skills.
  - Excellent communication skills and ability to manage multiple tasks efficiently.
  - Prior experience in e-commerce, inventory management, or supply/demand planning preferred.
  - Fluency in both English and Japanese is required.
-
