Job Description

As a Workday Consultant within the team, you'll play a pivotal role in addressing business challenges, partnering with global teams, and advocating for the implementation of best practices in SaaS. Your expertise will fuel continuous client improvement efforts and provide invaluable insights into worldwide Workday projects.

Client Details

Our Client is at the forefront of revolutionizing IT solutions, committed to shaping the landscape of technology. Our growing division is dedicated to expanding its impact. Join us to lead the way in Japan's SaaS practices and make a mark on a global scale.

Description

- Offer expert solutions to business challenges, leveraging your proficiency as a Workday specialist.
- Collaborate seamlessly with our global team, driving the implementation of SaaS best practices.
- Innovate by proposing solutions for upcoming project phases and supporting ongoing client enhancements.

Job Offer

- An opportunity to be at the forefront of innovation, driving software solutions that shape industries.
- A collaborative and globally diverse work environment.
- A competitive compensation package.
- Ample prospects for professional growth and development.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Peryhan Essam on +813 6832 8691.

Required Skills

- Minimum of 2 years' experience within consulting firms or Sler, focusing on Workday, HR solutions (ERP, HR packages, talent management systems) development, implementation, and maintenance.
 - Leadership prowess demonstrated through managing teams, including offshore members (3-10 individuals).
 - Effective communication skills to engage clients, internal teams, and external partners adeptly.
 - Fluent in Japanese with excellent communication and presentation abilities.
