Job Description

A global talent insight services company is seeking a Financial Analyst. The selected candidate will conduct financial analysis, forecasting, and budgeting to drive strategic decision-making and collaborate with teams to develop financial models and presentations.

Specialises in providing cutting-edge assessment and talent insight solutions, catering to a diverse range of clients across various industries.

Keywords:

2061140/001

Responsibilities:

- Conduct financial analysis, forecasting, and budgeting to support strategic decision-making
- Analyse financial data and key performance indicators to identify trends, risks, and opportunities
- Collaborate with cross-functional teams to develop financial models and assess the financial impact of business initiatives
- Assist in preparing financial presentations for investors and stakeholders
- Present findings to senior management, investors, and the board
- Monitor and track key financial metrics and variances against budgets and forecasts
- Provide insights and recommendations on cost optimisation and revenue enhancement strategies

Requirements:

- Bachelor's degree or above in Finance, Accounting, Economics, or a related field
- Proven experience as a Financial Analyst
- Solid understanding of accounting principles and financial reporting standards
- Skilled in MS Excel and financial analysis software
- Strong organisational and time management skills
- Fluent level Japanese and English

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
