Responsibilities:

- Establish strategy and goals for CRC Operations team, leveraging insights and market trends
- Review frontline workflows for efficiency and effectiveness, implementing improvements as needed
- Develop systems for efficient information sharing within CRC
- Manage documentation of business processes and operational flows
- Lead CRC projects in collaboration with relevant parties
- Supervise Operations team to achieve objectives

Requirements:

- More than 3 years of experience in project management or coordination in operations or relevant fields
- Experience in people or team management
- Prior experience in operation management or project management in a call center is preferred
- Proven experience in global companies is ideal
- Understanding of Operation Management (Six Sigma)
- Proficient in MS Office Suite
- Business level Japanese and English

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
