Job Description

Summary:

We are seeking a skilled and experienced Cloud Engineer to join our dynamic team. As a smart project member, you will play a crucial role in complex development projects across your global Infrastructure team. You will be leading and motivating cross-functional groups, ensuring the successful delivery of high-quality products on time and within budget.

Responsibilities:

- Design, construction, and operation of infrastructure configuration for service expansion of travel reservation platform
- Selection and implementation of technologies to improve the cloud environment
- Investigate infrastructure/development environment issues in each country, and consider and implement policies to deal

with them.

- Promote DX of infrastructure including IaC operation
- Improvement of IT service continuity management

Additional Opportunities:

- Experience in modernizing and globalizing a service with over 7 million MAUs
- Experience in working as an engineer in a global environment
- Experience in working with offshore companies

Technology Stack:

- Infrastructure: GCP, AWS, Kubernetes
- Database: MySQL, PostgreSQL, Cloud Spanner
- Web servers: nginx, Apache, Tomcat

Our Mission:

Driven by Based on our mission of balancing business and social contribution, we have developed and operated "skyticket", a travel booking site that allows users to search and reserve affordable airfare and hotels.

Our Achievements:

- Over 20 million downloads of our app since its release in 2015
- Profitable even during the COVID-19 pandemic, demonstrating resilience across the travel industry
- Record-breaking profits achieved in June 2023
- Expansion to 6 subsidiaries overseas
- Our Global Workforce :The percentage of international employees hired exceeds 50%, we are fostering a truly global development environment.

Why Join Us?:

- Embrace a Global Environment

Join a team of talented individuals from Amazon headquarters, Accenture, Salesforce, and our Future Creator talent acquisition program.

Thrive in a multicultural environment, working in both Japanese and English, enhancing your soft skills and increasing your market value.

- Drive Innovation and Growth

Be part of a company that actively creates new businesses, having launched three new services since 2023.

Contribute to cutting-edge AI solutions that are shaping the future of travel.

- Seize Opportunities for Career Advancement

Develop your global expertise and gain valuable experience that will set you apart in the job market.

Take on challenging projects and make a real impact on our company's success.

In today's rapidly evolving landscape where AI is playing an increasingly prominent role, simply coding skills are no longer enough to guarantee market value.

For those seeking a global challenge and the opportunity to make a difference, "skyticket" offers a wealth of opportuni
