Responsibilities:

- Manage direct and indirect tax compliance and US tax reporting
- Ensure effective planning and execution of local tax compliance requirements
- Support tax audits and provide tax support for local business
- Conduct financial and functional analyses for transfer pricing implications
- Advise on tax legislations and coordinate tax provision preparations
- Utilise technology for effective calculations and financial models

Requirements:

- Bachelor's degree or above in Law or Accounting
- Master's degree or above in Tax or Finance
- More than 7 years of experience in a multi-national corporate environment including Tax compliance and reporting in at least one jurisdiction
- More than 3 years of management experience
- Practical experience in Japanese tax
- Prior experience in global or regional roles with awareness of cultural diversity
- Experience in managing and developing staff
- Proficient in accounting provisions, accounting principles, audit, and disclosure requirements of financial statements
- Understanding of US GAAP
- Possess a valid CA or CPA membership
- Fluent level English and Japanese

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
