#### Job Description

Accounting Director role to lead the accounting team and act as a business partner for the Japan business | Hybrid working and flex time available, global corporate culture

#### Client Details

A well-known multinational brand, established in the mid-20th century, is recognized for its distinctive logo and offers a wide range of sports and lifestyle products, including footwear, apparel, and accessories. The brand has a significant global presence in sports sponsorships and collaborations with top athletes and teams.

In Japan, it has been increasing its market influence by investing in marketing campaigns, partnerships with local influencers, and expanding its retail presence in major cities. The brand is popular among athletes and fashion-conscious consumers due to its blend of performance-focused sportswear and trendy streetwear styles.

#### Description

- Oversees the financial operations team, managing structure and processes with external support.
- Looks for ways to simplify and improve existing workflows for better efficiency.
- Ensures accurate financial records and compliance with relevant standards.
- Evaluates business opportunities to understand financial impact and suggest improvements.

- Prepares for and manages audit processes.
- Guides the team in balancing risk management with business growth.
- Provides direction and support to the team, focusing on performance and development.
