Job Description

The Team Leader for Collections will be reporting directly to the Collection Manager and will be responsible for vendor management with outside agencies, coming up with new strategies to increase the amount of collections, and increase job efficiency of the team members.

Client Details

A global financial services corporation involved in the payment sector.

Description

The Team Leader for Collections will be reporting directly to the Collection Manager and will be responsible for:

- Vendor management with outside agencies
- Coming up with new ideas and strategies to increase the amount of collections and increase job efficiency of the team members
- Occasionally handling collection cases (some escalations/difficult cases)
- Reporting internally and to Teams abroad in English

Job Offer

- International mobility opportunities
- Internal mobility program - chance to explore different departments within the company
- Access to industry-leading training and ongoing coaching

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Davide Capretta at +81 3 6832 8675.

Required Skills

The Team is looking for candidates who are interested in process improvement, with the following main qualifications:

- Management/Leadership: solid experience in team leading
- Strong relationship management, vendor management skills/experience
- Excellent communications skills, ability to develop relationships
- Ability and passion to drive innovation and change
- Business fluency in both Japanese and English
- Welcome: collections background

With some degree of flexibility about the above, if you think you have the right set of skills for the job, the company would love to hear from you.

Company Description
