Job Description

A multinational biotechnology company is looking for a Japan Finance Director. The selected applicant will be in charge of setting and achieving the company's financial and operating plans and targets.

A multinational provider of scientific equipment, this company supplies life science technology solutions and equipment to clients across the world. With decades of history in the industry and a wide portfolio of patents for technology relied on by scientists, this company continues to be a market leader.

Keywords:

Job ref: N5XJVR

Responsibilities:

- Partner closely with the Japan General or Country Manager and the rest of the Japan leadership team in setting and achieving the company's financial and operating plans and targets
- Lead the annual budgeting and monthly and quarterly forecasting and review process
- Ensure financial data provided is accurate and meets reporting deadlines
- Manage key components of working capital, including accounts receivable, inventory, and accounts payable
- Drive a culture of integrity and compliance by ensuring financial information is prepared in accordance with US GAAP, JGAAP, SCIEEX, or Danaher accounting policies and local statutory, tax, or legal requirements
- Coordinate with external and internal auditors to ensure support is provided to complete audit work and address findings timely
- Develop and lead the Japan finance team in providing excellent services by keeping team members engaged and providing necessary guidance and training opportunities

Requirements:

- More than 20 years of experience
- More than 10 years of experience in a managerial function
- More than 5 years of experience overseeing the entire finance function including accounting and FP&A
- Deep knowledge of USGAAP or JGAAP
- Expertise in MS Excel
- Experience in ERPs (Oracle and HFM, as well as Power BI) is advantageous
- Background in the life science industry is desirable
- Possess a valid CPA licence or equivalent is a plus

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
