Job Description

Job Description:

Our client is seeking a highly skilled GenAI NLP Engineer specializing in legal data, focusing on NLP-based production systems, to join our dynamic team. In this crucial role, you will be at the forefront of revolutionizing the legal tech industry by applying cutting-edge NLP and generative AI technologies to automate and enhance contract review processes. Your work will directly contribute to the efficiency and accuracy of legal document analysis, benefiting our global clientele across various industries.

Key Responsibilities:

- Develop GenAI Text-based Systems: Design and implement best practice GenAI text models for GenAI-based systems.
- Implement GenAI NLP Algorithms: Develop and integrate NLP algorithms, especially focusing on generative models, for analyzing and interpreting complex textual data.
- Collaboration: Work closely with data teams, software developers, and other engineers to integrate NLP capabilities into various applications and systems.
- Data Analysis: Conduct statistical analysis of textual data to extract insights and improve model accuracy.
- Prototype Development: Transform data science prototypes into scalable NLP solutions using generative AI.
- Continuous Learning: Stay updated with the latest developments in NLP, machine learning, and generative AI.

Required Skills

Experience Requirements:

- 5 years of NLP engineering experience.
- 2 years of GenAI NLP engineering experience

Working Conditions:

- **Working hours:** Full flex system without core hours
- **Overtime work beyond designated working hours:** Yes
- **Break time:** 1 hour

Benefits:

- **Holidays:** Saturdays, Sundays, and National holidays
- **Time Off:** Year-end and New Year holidays, Paid leave, Special leave (Sick leave, Work-life balance holiday, Birthday holiday), Maternity leave, Childcare leave, Nursing leave
- **Social Insurance:** Health insurance, Employee pension insurance, Unemployment insurance, Worker's compensation insurance
- **Language Learning Support**
- **Technical Book Purchase Support**
- **Influenza Vaccination Support**
- **No Smoking Indoors** (smoking room available in the building)
- **Side Jobs:** Allowed upon request
