Job Description

-The role will be supporting operation and infrastructure between stores and offices. Which includes troubleshooting, training, and operating POS and stock control systems.

-Moreover, the role may involve creating budget plans and the roadmap for the brand and will be reporting to CFO and European HQ.

Client Details

The client is a world-famous Italian fashion house that is famous worldwide, popular for initiating global fashion trends and revolutionary statements.

They are just as popular in APAC and Japan, they are looking for IT manager to help their vision come true in the region.

The staff in Japan comes from overseas from leading competitors brands, you will be surrounded by great minds and very international environment.

Description

- Budget planning and control
- Leadership, people management, and vendor management
- Infrastructure experience and background (They will need to update the office infrastructure environment in the office)
- POS and ERP management is preferable (They may have store open projects etc that you need to be in charge of. Currently, they have many direct stores and plan to increase)

Job Offer

Many employee benefits and discounts for highly valuable items

Work from home 2 or 3 times a week

The office is in central Tokyo, easy access

Package up to 12mil, depending on experience and background

**If you are interested in the role but not managerial level, I can also introduce you to an assistant manager role that you can be promoted to manager role after, I will wait for your application!

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Peryhan Essam on +813 6832 8691.

Required Skills

- The successful candidate is someone with a stable career in supporting infrastructure or application, preferable from a hands-on background
- Previous work experience in the fashion industry or great personal interest in fashion
- Business level English and Japanese (Knowing a European language such as Italian or French is a plus!)
