Job Description

A global renewable energy company is looking for a Deputy CFO. The selected candidate will help develop and implement financial strategies, monitor financial performance, and provide guidance for decision-making. This is a hybrid set-up role.

A renowned renewable energy company that has significantly contributed to sustainable development. This company is dedicated to producing reliable energy for a brighter future.

Keywords:

会計, 財務, 連結財務諸表, ERPシステム, 財務リスク管理, 求人, 外資系

2082080/001

Responsibilities:

- Develop and implement financial strategies, policies, and procedures
- Monitor and analyse financial performance, providing guidance and recommendations
- Oversee preparation of financial statements, reports, and analysis
- Manage the budgeting process and coordinate financial audits
- Lead the development of financial plans and forecasts
- Monitor the implementation of accounting systems and controls
- Review and approve financial reporting
- Develop and oversee tax strategies and plans
- Maintain relationships with external auditors, bankers, and financial institutions
- Advise on investments, mergers, acquisitions, and financial transactions
- Oversee treasury activities, focusing on liquidity management and forecasting
- Lead the implementation of a new ERP system

Requirements:

- More than 12 years of combined accounting, finance, and consolidation experience
- Practical experience in preparing and reviewing consolidated financial statements under IFRS
- Hands on experience in designing and implementing controls over financial reporting
- Prior FP&A (budgeting/forecasting) experience
- Experience in treasury management and financial risk management
- Previous work experience in a "Big 4" or comparable accounting firm is ideal
- Background in the Renewable Energy industry is desired
- Experience in a startup or "Unicorn" company is preferred
- Knowledge of auditing and governance is a plus
- Possess a valid Chartered Accountant qualification (CPA, ACCA, ACA/CA, or equivalent)
- Fluent level English

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
