Job Description

Join WinBe Narita English Conversation School in Chiba! Nestled in a culturally rich area, our school is just a short distance from the historic Naritasan Shinshoji Temple and the bustling Narita Airport—Japan's gateway to the world. Immerse yourself in a dynamic environment where tradition meets modernity, and take the opportunity to inspire young minds while experiencing the best of what Chiba has to offer. We're now accepting applications, so don't miss out on this incredible opportunity to grow your career and explore a unique part of Japan!

◆ WinBe: Main Responsibilities & Duties

WinBe is a time-tested, continuously expanding English conversation school with locations all over Japan.

Our goal is to bring English education in Japan to a new level, with outstanding results gained from a conversation and culturally driven curriculum. Our instructors are encouraged to provide students with fun and creative classes that focus on real-life conversational skills - we believe when students are having fun, they are more engaged; and when instructors are

having fun, they provide the best possible lessons!

The native English instructor is the centerpiece of a WinBe school.

WinBe instructors work with their school's Japanese staff, head office staff, and other WinBe instructors to assess the needs of their students and provide them with the best possible lessons. Most students are children ages 3-14, but instructors may be asked to teach both children and adults. Classes emphasize practical language, and instructors conduct their classes completely in English. While WinBe has a set curriculum, instructors use their creativity to prepare fun and interesting classes that best suit their students; this allows ample creative freedom to inject passion and enthusiasm into your class.

Instructors work 8 hours a day, including a 45-minute break, 5 days a week (generally Tuesday through Saturday).

Shift times are typically 13:00-21:00 on weekdays, and 10:00-18:00 on weekends (schedules may differ school by school).

◆ Who We Are

Yaruki Switch Group is the largest private education group in Japan, comprised of 8 total brands with more than 2,000 directly owned and franchise-managed schools nationwide. Leveraging 30+ years of industry experience, our English language schools – Kids Duo, WinBe, Kids Duo International, and i Kids Star – are specifically tailored for young learners, with a focus on teaching through fun, hands-on activities and exposure to practical, usable English!

◆ Pets

Many rental accommodations, especially apartments, may have strict no-pet policies. It can be challenging to find pet-friendly housing, and even if found, it may limit your options significantly.

Overall, it's crucial to consider and respect the cultural and practical aspects of living and working in a foreign country before deciding to bring a pet along. It's advisable to thoroughly research the specific circumstances and requirements in Japan and consider the impact on your lifestyle and the well-being of your pet.
