Responsibilities:

- Develop, implement, and lead the Global Trade Compliance Operations program, ensuring adherence to all relevant rules and regulations
- Create strategic direction for trade operations processes, focusing on robust risk mitigation management
- Collaborate with Trade Compliance Governance on remediation activities and ongoing governance of the Global Trade Program
- Ensure robust monitoring, risk assessment, and auditing programs are in place for third-party suppliers and internal trade programs
- Manage global trade partners to ensure compliance with governing laws and service level agreements
- Facilitate global trade operations, ensuring accurate submissions to regulators for various trade classifications
- Ensure compliance on all international trade matters, including customs duty management and free trade agreements
- Initiate compliance programs for stakeholders to streamline operational processes and minimise non-compliance cases

Requirements:

- Bachelor's degree or above in business administration, trade compliance, supply chain management, or a related field
- 10-15 years of progressive leadership experience in management and operations with measurable outcomes
- 10-15 years of experience leading multi-entity trade compliance programs
- More than 5 years of people management experience
- Knowledge of global trade import and export regulations
- Ability and willingness to travel
- Possess a valid Customs Broker licence is a plus
- Professional level Japanese; proficient in written and verbal English

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
