Responsibilities:

- Handle budget performance management, analysis, and reporting to management
- Oversee indicators and KPIs and identification of issues
- Conduct business and industry analysis and reporting for strategy and plan formulation
- Facilitate promotion of important projects and PM
- Manage implementation of operations as a business controller, including overseas subsidiary management
- Departmental management including business management and guidance for younger employees

Requirements:

- Experience in corporate planning work (general manager, section manager, or person with experience in a key position)
- Practical experience in corporate planning at a listed company with an overseas subsidiary is preferred
- Professional level Japanese; business level English

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
