Job Description

COMPANY OVERVIEW

Our client (Financial Institutions in NYC) is looking for Sr. Information System Engineer.

This is a hybrid role to commute to office in NYC.

RESPONSIBILITIES

- Production support for Windows server, storage, VMware vSphere ESXi, Amazon AWS, VDI, and other systems.
- implements new infrastructure solutions.
- Provides support for the network, security, and monitoring systems.
- Manages the network and security environment issues on a regular basis in order to meet all the business

requirements.

- Work as the subject matter expert for assigned back-end IT systems.
- Trains and mentors other members of the IT department as necessary.
- Participates in daily system and backup checks.
- Performs upgrades, patches, and maintenance activities.
- Updates procedures and documentation based on system changes.
- Helps to plan and operate disaster recovery tests.
- Help to design the Hybrid Cloud architecture to migrate certain workloads from on-premise to Amazon AWS.
- Assists with hardware and software inventory processes
- Participates in the maintenance and coordination of various security systems administration
- Helps with coordination and preparation of various system audits and examinations
- Performs other duties and responsibilities as assigned by management.

REQUIREMENTS

- 5-7 + years of experience as a windows system Administrator and/ or Engineer.
- Advanced knowledge of Microsoft Windows Server 2016, 2019, 2022, and Active Directory.
- Advanced Knowledge of VMware ESX/ vSphere 7.0 or higher.
- Advanced knowledge of VMware Horizon VDI solutions
- Advanced Knowledge of Amazon AWS Cloud Services (EC2, S3, CloudTrail, ,etc.) and migration of on-premise workloads to Cloud.
- Advanced knowledge of SAN systems such as Pure Storage and NetApp
- Knowledge of HP Tandem Nonstop System.
- Knowledge of Microsoft Exchange Online.
- Knowledge of networking and protocols.

SALARY

Salary range for this position is \$150,000- 200,000 (Depending on the experiences)

The position is hybrid to commute to office in NYC.

BENEFITS

The company will provide Medical Dental vision, 401K PTO and others.

We sincerely apologize, but due to a high volume of applicants, only those who successfully pass the initial screening will be contacted. We truly appreciate your understanding.
