Job Description

Business Controller Duties and Responsibilities:

- Developing and implementing financial planning and budgeting processes to support the overall goals and objectives of the organization.
- Analyzing and interpreting financial data to identify trends, issues, and opportunities for improvement.
- Preparing financial reports and presentations for management, board of directors, and other stakeholders.
- Providing guidance and support to managers and employees on financial matters, such as budgeting, cost control, and financial planning.
- Developing and implementing financial policies and procedures to ensure compliance with relevant laws and regulations.
- Overseeing the organization's financial operations, including accounts payable, accounts receivable, and payroll.
- Collaborating with other departments to identify and assess potential risks and opportunities.
- Managing the organization's financial resources, including budgeting, forecasting, and investment activities.
- Building and maintaining relationships with banks, financial institutions, and other external partners.
- Providing guidance and direction to the finance team and supporting the development of team members.
