Job Description

Our client specializes in distributing high-quality aesthetic products that enhance beauty and wellness. They are seeking a dedicated and experienced Product Manager with a pharmacy background to join their team and drive the success of their product lines.

Responsibilities:

- Develop and implement product strategies and roadmaps tailored to the aesthetic market.
- Conduct market research to identify customer needs, market trends, and competitive landscape.
- Define product requirements and prioritize features based on business goals and customer feedback.
- Collaborate with cross-functional teams including R&D, marketing, sales, and supply chain to ensure successful product launches.

- Monitor product performance and make data-driven recommendations for improvements.
- Ensure compliance with industry regulations and quality standards.
- Develop and maintain relationships with key stakeholders, suppliers, and healthcare professionals.

Qualifications:

- Bachelor's degree in Pharmacy; Master's degree is a plus.
- More than 5 years of experience in product management, preferably in the aesthetic or pharmaceutical industries.
- Strong understanding of market research and product development processes.
- Excellent communication and leadership skills.
- Ability to work effectively in a fast-paced, cross-functional environment.
- Proficiency in project management tools and software.
- Good in English.
