Job Description

A fast-growing chemicals company based in Singapore who manufacture and distribute a wide range of products, including all-in-one lubricants, disinfectant cleaners, contact cleaners, biodegradable degreasers etc., is looking for Business Development Manager to develop new distributors in SEA regions.

Job Responsibilities

- Responsible for driving strong sales growth to achieve sales and profit targets in assigned territories, industries and channels
- Develop new distributors in assigned territories
- Build and maintain strong relationship with distributors, direct customers, purchasers and end users
- Provide sales & product trainings to distributors and end-users

- Work closely with key customers/distributors to plan, implement marketing strategies and promotional programs in line with company's direction
- Recommend appropriate pricing strategies for all product lines
- Gather and analyze market and competitors' information

Job Requirements

- Highly sales-focused individual who is extremely self-motivated and keen to make increasing sales and be rewarded for success
- Experience in sales is a must. Experience in chemical product sales with regional sales function in South East Asia is strongly preferred
- Previous sales experience in marine, oil & gas, industrial sectors, distributor management would be advantageous
- Excellent selling, negotiation and relationship building skills
- You MUST believe that SALES is a NUMBERS game, and achieving targets is the primary objective
- All education backgrounds considered
- Willing to travel

Job highlights:

- Positive work culture
- Dynamic and growing company
- Home based
- Attractive commission
