Job Description

Senior Costing Analyst

A rapidly growing MNC in Bayan Lepas is looking for **Senior Costing Analyst** role to be part of their team. You will be a key part of helping the business to oversee the daily operations of the Costing Section.

Main responsibilities of the Senior Costing Analyst role

- Oversee the daily operations of the Costing Section.
- Prepare and maintain costing reports for monthly financial results.
- Manage the inventory sub-ledger and reconcile it with the General Ledger for statutory compliance and SOX reporting.
- Prepare and present timely and accurate reports on actual vs. budget, forecasts, variances, overheads, and manufacturing performance.
- Calculate costs for new products and collaborate with Engineering and Document Control to ensure BOM accuracy.
- Assist in annual budget preparation, semi-annual forecasting, and compilation of the master budget with input from all departments.
- Monitor and track cost-saving initiatives.
- Supervise daily administrative functions, including data provision for various reports.
- Develop and implement ABC methods for daily store counts, work with the Store on accuracy controls, and organize annual physical inventory counts.

- Compile and analyze quarterly E&O reports to ensure provisions for slow-moving and obsolete inventory.
- Validate costing data for ad hoc and Six Sigma projects.
- Oversee the maintenance of the inventory sub-ledger and perform monthly reconciliations with the General Ledger.
- Present KEM/KIPC financial reports and departmental expenses to the operations team monthly.
- Prepare for external audit requirements and serve as an internal auditor for SOX and compliance audits.

Key Requirement

- Bachelor's degree in Accounting, Finance, Economics, or a related field.
- Minimum 3-5 years of experience in cost accounting, financial analysis, or related fields.
- Experience in a manufacturing environment is preferred
- Experiences in Costing, FP&A or inventory background

Benefits

- 1 month Contractual bonus
- Flexi-hour
