### COMPANY OVERVIEW

JAC's client is a foreign bank looking for a Senior Risk Officer

Location: Ho Chi Minh City

### JOB RESPONSIBILITIES

#### Credit Risk

- Assist in determining the risks involved in lending and the creditworthiness of borrowers.
- Keep an eye on the Branch's credit portfolio and assist in producing reports on trends, exposure to credit risk, and possible defaults.
- Make certain that risk thresholds and restrictions are established, tracked, and followed.
- Support the implementation of credit risk policies and procedures that are in line with the bank rules and regulatory requirements, under the direction of management.

#### Operational Risk and Business Continuity

- In accordance with the bank standards and legal mandates, support the operational risk framework.
- Contribute to making sure business lines' action plans adequately handle hazards that have been identified.
- Participate in the annual business continuity planning process.

**Market Risks**

- Assist in keeping an eye on market risk exposure (liquidity, interest rate, foreign exchange).
- Make sure that regulatory ratios, such as the CAR ratio, are published on schedule

**Permanent Control**

- Work together with business units, the first line of defense, to examine, question, and supervise risk-taking practices.
- Encourage oversight of the permanent control system.
- Assist in creating reports on the state of controls, anomalies found, and remedial measures.

**Additional responsibilities**

- Observe local and global regulatory standards while maintaining risk management policies, processes, and guidelines.
- Prepare frequent risk reports for senior management and regulatory bodies under the direction of the Deputy Head of Risk & Permanent Controls.
- Help organize the yearly macro-risk mapping exercise involving all business lines.
- Encourage a culture of risk awareness by educating staff members about risk management procedures.

**Miscellaneous**

- Assist team members when they are not present.
- As directed by the Director of Risk, Compliance, and Permanent Controls, complete reports and other assignments.

**JOB REQUIREMENTS**

- Bachelor's degree in risk management, business, finance, or a similar discipline.
- A professional certification (such as CRCM or FRM) or advanced degree is advantageous.
- At least four years of experience in internal auditing or risk management in the banking or financial services sector
- Strong knowledge of banking rules, products, and risk management principles.
- Strong analytical abilities and meticulousness.
- Outstanding interpersonal and communication abilities
- The capacity to operate both independently and cooperatively in a team-oriented setting.
- Proficiency in both written and spoken English and Vietnamese.

**BENEFITS**

- Prevailing Social Insurance, Health Insurance and Unemployment Insurance Laws
- Personal accident insurance and health care programs.
- Each branch is entitled to three days of paid sick leave and 20 of yearly leave.
- Salary for the 13th month.
- A yearly salary review and performance bonus
- Meal Pass
