### Job Description

#### DUTIES AND RESPONSIBILITIES

- Server Support (40%):
  - o Implement, and maintain on-premises and/or cloud-based server infrastructure.
  - o Diagnose and troubleshoot complex server issues, including performance bottlenecks, hardware failures, software conflicts, and security vulnerabilities.
  - o Implement and maintain server configurations, including operating systems (Windows, Linux), virtualization technologies (VMware, Hyper-V).
  - o Implement and maintain server security best practices, including user access control, firewalls, and intrusion detection systems.

- o Automate server tasks and processes to improve efficiency and reliability.
  - o Perform regular backups and ensure disaster recovery plans are in place.
  - o Monitor server performance and proactively identify potential problems.
  - o Stay up-to-date on the latest server technologies and trends.
  - o Work collaboratively with other IT team members and stakeholders.
  - Network Support (30%):
    - o Diagnose and troubleshoot network issues escalated from L2 or L1, including connectivity problems, routing errors, security breaches, and performance issues.
    - o Implement and maintain network configurations, including network devices (routers, switches, firewalls).
    - o Monitor network performance and identify potential problems.
    - o Implement network upgrades and expansions.
    - o Stay up-to-date on the latest network technologies and trends.
    - o Work collaboratively with other IT team members and stakeholders.
  - Additional Responsibilities (30%):
    - o Document solutions and procedures for future reference.
    - o Provide technical support to internal users and troubleshoot their IT issues.
    - o Serve as a liaison between upper management, users, and engineers; raise the visibility of critical issues and ensure that all relevant parties are informed.
    - o Update the maintenance calendar and notify stakeholders.
    - o Collaborate effectively with other IT team members and stakeholders.
-
