#### Job Description

##### Company Profile

- The company is a global leader in the design, development, manufacture, and distribution of performance-driven sports products.
- Founded over a century ago, the company's headquarters is situated in US, and it operates in more than 70 countries worldwide. The company has earned trust globally due to its dedication to game-changing innovation and operational excellence.

##### Job Description:

- We are seeking a dynamic and experienced Accounting Manager with expertise in USGAAP Reporting. This individual will oversee the daily operations of the accounting department, ensuring all financial transactions are recorded accurately and in a timely manner, in alignment with USGAAP standards.

##### Responsibilities:

- Supervise, direct, and manage the accounting team's activities, including accounts payable and receivable, cash receipts, general ledger, revenue and expenditure variance analyses, etc.
- Ensure all financial reporting deadlines are met and reports are accurate, in compliance with USGAAP and other necessary accounting regulations.
- Coordinate and complete annual audits, liaising with external auditors when required.
- Develop and document business processes and accounting policies to maintain and strengthen internal controls.
- Prepare budgets and financial forecasts, providing necessary financial insights for management decision-making.
- Assist with tax preparation or other regulatory filings as required.
- Ensure the financial system and records are maintained in compliance with accepted policies and procedures.

#### Your Skills

- Bachelor's degree in Accounting, Finance, or related field. Master's degree or CPA certification will be advantageous.
- Proven experience as an Accounting Manager or similar role.
- In-depth knowledge of the USGAAP and other financial regulations.
- Strong skills in math, financial software, databases, and report writing.
- Strong management skills with a capacity to prioritize and delegate tasks.
- High attention to detail with excellent analytical skills.
- Solid understanding of economic and banking processes.

#### Location

Tokyo

#### Salary

8 - 10 million yen

#### Selling points

- Work for a co. that gives back to the community
- Great work life balance
