Job Description

Company and Job Overview

A financial shared service company specialising in manufacturing is seeking for a talent with minimum of 5 years experience in indirect tax accounting. This role requires an individual capable to Offer specialized advice on the company's non income tax filings by reviewing financial records and calculating tax obligations in line with relevant laws and regulations.

Job Responsibilities

- Prepare and review indirect tax returns, maintain tax records, and support local finance teams in the JAPAC region.
- Assist with indirect tax projects and continuously improve tax reporting processes.
- Support responses to tax authorities' inquiries and provide direct tax support.
- Communicate effectively with stakeholders using tax analytics and reconciliation.

Job Requirements

- A Bachelor's Degree or equivalent in Accounting or Finance is required.
- Must have 5 years of experience in indirect tax accounting and reporting.
- Should possess comprehensive knowledge of VAT and GST reporting principles.
- Basic understanding of accounting principles is necessary, with a preference for experience in shared service type organizations or large accounting/tax consulting firms.
