Job Description

A global industrial manufacturing company is looking for a Financial Analyst. The selected candidate will support financial reporting, budgeting, and forecasting, ensuring accurate financial data. This is a hybrid setup role.

This global leader in power solutions is renowned for its innovative approach to designing, manufacturing, and servicing engines and power systems for diverse industries. The company emphasises sustainability and technological advancement, providing reliable and efficient solutions to support various sectors worldwide.

Keywords:

2128970/001

Responsibilities:

- Prepare comprehensive financial analyses and reports to support department managers in tracking performance and optimising cost efficiency
- Assist in the annual budgeting process, prepare expense and staffing forecasts, and contribute to monthly closing activities
- Prepare statistical reports, explain variances, and provide accurate financial data for informed decision-making
- Collaborate on special financial projects, providing insights aligned with organisational strategies
- Work closely with department managers and other stakeholders to consolidate financial data for clear reporting and communication
- Drive continuous improvements in financial processes, ensuring accuracy and efficiency in financial reporting

Requirements:

- Bachelor's degree or above in Finance, Accounting, or a related field
- Prior FP&A or accounting experience in manufacturing
- Experience in financial analysis and reporting, including budgeting and forecasting
- Familiarity with US GAAP
- Strong collaboration skills
- Professional level Japanese and English

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
