Job Description

Responsible for the day-to-day accounting, including general ledger entries, internal and external support, closing, and reporting for APAC entities, while managing and controlling external accounting partners and ensuring compliance with accounting and reporting policies. Prepare internal monthly and yearly reports, assist auditors, improve the reporting process and policies, and support the Global CFO with ad hoc analyses and continuous improvement.

Client Details

This European fashion brand, founded in the 20th century, focuses on elevated ready-to-wear and accessories, influenced by art and culture. It has seen consistent growth, with a steadily rising turnover and operates stores worldwide.

Committed to sustainability, and the UN Sustainable Development Goals, it is one of the leading companies in topics of fair trade and sustainable production.

Description

- Direct responsibility for the day-to-day accounting i.e. general ledger entries, internal and external support, closing and reporting for selected legal entities
- Manage, support and control external accounting partners for selected legal entities
- Making sure accounting and reporting policies are followed
- Preparing internal monthly and yearly reports and analyses as well as assist the auditors
- Improving the internal monthly reporting process and policies
- VAT and other statutory reporting
- Supporting the Global CFO regarding ad hoc analyses and proactive work to continually develop our processes and systems

Job Offer

- The opportunity to become the regional leader for APAC for all Accounting topics and directly reporting to the Global CFO
- An attractive salary package of 13M JPY annually
- A positive, international and flexible working environment, with remote work and flexible hour options
- Take your career to the next step with this role, that takes responsibility across borders
