2108090/001

Responsibilities:

- Oversee daily transactions, including accounts payable, general ledger, and balance sheet reconciliations in accordance with US GAAP
- Prepare journal entries for overseas transactions, payroll-related expenses, and conduct remittances
- Review and provide feedback on journal entries prepared by team members
- Participate in month-end and year-end closing processes
- Prepare annual tax filings and ensure compliance with tax regulations
- Implement automation and process improvements to enhance operational efficiency

Requirements:

- Bachelor's degree or above in Accounting or Finance
- More than 4 years of experience in general accounting or finance
- Practical experience with popular accounting software
- Prior work experience in public accounting preferred
- Experience with cost accounting and stock valuation is ideal
- Hands on experience in data integration between accounting and operating systems is preferred
- Experience in implementation of accounting application desired
- Solid knowledge of bookkeeping and accounting principles, laws, and regulations
- Proficient with MS Excel package
- Possess a valid CPA or equivalent local certification

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
