Scope of changes to job responsibilities: All areas defined by the company.

Current Work System

We are implementing remote work. Generally, everyone combines working from home with one day of in-office work per week. The in-office day is intended to provide opportunities for building trust among team members (across all levels and positions), engaging in complex discussions and training, as well as developing new services and promoting projects—activities that generate value that can only be created in person.

For recruitment interviews, we are currently conducting them online (via web conference).

Note: This is based on the current situation. We will adapt flexibly, considering changes in external circumstances.

Employment Type

Regular full time
Probation Period: 3months

Salary Payment

Annual Salary 2.5M~4.0M
Monthly 213,500yen ~ 340,000yen
