#### Job Description

Seeking a Procurement Manager to oversee and manage the procurement and operations for a renowned FMCG industry. The ideal candidate will be experienced in strategizing and negotiating with suppliers to improve efficiency.

**Client Details**

Our client is a large organization in the FMCG industry, known for their exceptional quality products. They operate globally and have a significant market presence in Japan, with a strong commitment to sustainable practices and a high value for innovation.

**Description**

- Manage and oversee the entire procurement process.

- Develop procurement strategies that are inventive and cost-effective.
- Source and engage reliable suppliers and vendors.
- Negotiate with suppliers and vendors to secure advantageous terms.
- Track and report key functional metrics to reduce expenses and improve effectiveness.
- Collaborate with key persons to ensure clear communication of the company procurement policies.
- Anticipate unfavorable events through analysis of data and prepare control strategies.
- Perform risk management regarding supply contracts and agreements.

#### **Job Offer**

- Generous holiday leave.
- Flexible working system in place.
- Thriving company culture that encourages innovation and teamwork.
- An opportunity to work in a global FMCG company.

We invite all suitable candidates who thrive in a fast-paced, FMCG environment to apply. Seize this excellent opportunity to develop your career and contribute to a leading FMCG company.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Francesco Pedrielli at +81368328644.

---

#### **Required Skills**

Requirements:

- Strong understanding of procurement processes.
- Excellent negotiation skills.
- Outstanding organizational and leadership abilities.
- Business level English and Japanese.
- Experience working in the FMCG industry is a big plus.
