Job Description

The Communications Director will play a pivotal role in shaping the public perception of our brand in Japan, crafting and executing strategic communication plans. The successful candidate will work closely with cross-functional teams to ensure alignment and consistency in promoting our company's mission and vision.

Client Details

Our client is a globally recognized leader in the consumer technology industry. They are a global organization with a strong presence in Japan and operate across various international markets. The company is renowned for its innovative solutions and has a powerful influence on the digital age.

Description

- Develop and implement a comprehensive communication strategy for the Japan market.
- Collaborate with cross-functional teams to ensure messaging alignment.
- Manage media relations and develop strong relationships with key media stakeholders.
- Oversee crisis communication and issues management.
- Coordinate with global counterparts to ensure consistency in branding and communications.
- Lead the communications team, fostering a positive and productive work environment.

- Monitor and report on the effectiveness of communication strategies.
- Stay informed about industry trends and incorporate them into communications plans as needed.

Job Offer

- Competitive salary package with base, bonus, and RSU
- Opportunity to work in a vibrant and dynamic team in Tokyo.
- Highly flexible working mode
- Collaborative company culture with a focus on innovation and growth.
- Chance to shape the public perception of a global brand.

We welcome all qualified candidates who are passionate about shaping the future of communications within the technology industry. Apply now to become a part of our global team!
