Job Description

### **COMPANY OVErVIEW**

Our client is a leading developer and provider of networking and electrical solutions.

## LOCATION

HA NOI

### JOB RESPONSIBILITIES

We are seeking a highly skilled and motivated Territory Account Manager to join our team

- Set and communicate sales targets to drive long-term growth within key accounts
- · Develop and execute data-driven sales plans to achieve annual targets

· Build and nurture strong relationships with key account clients and partners

- Conduct on-site sales presentations, understand customer needs, and propose solutions
- Resolve client concerns promptly and professionally
- Maintain detailed account profiles and records
- Presenting in-depth report to the director of sales and other stakeholders, as required.
- · Conducting regular market research to maintain an updated knowledge of clients' needs and competitors' activities.

## JOB REQUIREMENTS

- A bachelor's degree in IT or a related field is preferred.
- Extensive experience in managing user accounts.
- Familiarity with structured network systems, enterprise network connectivity, and data center solutions is beneficial.
- Strong skills in consultative selling and creating solution proposals based on customer requirements.
- Proven experience in proactive sales roles.
- A track record of consistently meeting sales targets.
- Proficiency in using customer relationship management (CRM) software.

We look forward to hearing from you!
