Job Description

OVERVIEW:

Our client is looking for a skilled Shopify Website Developer to join our team in Hoi An

RESPONSIBILITIES:

- **Shopify Development:** Manage the development of our Shopify website, adding new features and functionality, and optimizing for performance.
- **Collaboration:** Work with other developers to ensure smooth integration.
- **Store Transition:** Transition the online store from a page builder to native Shopify functionality.
- **Back-End Development:** Handle back-end development tasks based on skillset.

SKILLS REQUIRED:

- **Shopify Development:** Expertise in Shopify (Liquid) development.
- **English Proficiency:** Ability to communicate in spoken English with an English-speaking manager.
- **Website Optimization:** Strong skills in website page speed optimization and best practices.

Required Experience:

- Previous experience working on or building custom functionality for other Shopify stores.
- At least 3 years of development experience.

Beneficial Experience:

- Experience with AI tools for coding and development.

SALARY:

The salary range is 9–25 million VND per month, depending on experience and qualifications, with potential for growth based on performance and business needs.
