Job Description

Buyer will manage material purchasing and procurement activities related to the installation and maintenance of engines and test and measurement equipment. In this role, you will be integral to ensuring smooth operations by sourcing high-quality materials and services, negotiating favorable terms, and maintaining strong relationships with suppliers and business partners.

Client Details

The organization is a global leader in the industrial and manufacturing sector, with a large-sized presence in multiple countries. Renowned for its innovation and quality, the company strives to maintain its top-tier position by investing in its workforce and fostering a culture of continuous improvement.

Description

- Develop, negotiate and execute procurement strategies.
- Manage relationships with suppliers to ensure cost-effectiveness and timely delivery.
- Monitor market trends and perform cost and scenario analysis.
- Drive process improvements within the Procurement & Supply Chain department.
- Collaborate with stakeholders to ensure alignment of company objectives.

- Mitigate supply chain risks and manage supplier performance.
- Leverage market knowledge to anticipate and manage material cost fluctuations.
- Ensure adherence to all company policies and compliance regulations.

Job Offer

- Opportunity to work in a global, large-scale organization.
- Competitive holiday leave package.
- A company culture that values innovation and continuous improvement.
- Opportunity to visit HQ in Europe.
- Flexible working style.

If you are a passionate Senior Buyer looking to contribute to a leading industrial manufacturing organization in Kanagawa, we encourage you to apply.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Maria Kosareva.

Required Skills

A successful Senior Buyer should have:

- Procurement experience especially related to facilities, contractor or construction categories.
- Fluent Japanese (N1) and Business English (TOEIC700)
- Negotiation skills

*Candidate should have Japanese work visa
