Job Description

We are seeking an AR Accountant to join our Accounting & Finance department. The ideal candidate will have a strong background in AR Accounting, Monitoring Account Receivables, and Recording Sales from Direct Sales Channels.

Client Details

The company is a well-established retail organisation in Japan. It is a part of a large organisation with a firm foothold in the retail industry. The business is based in central Tokyo and is known for its excellent work environment and low turnover rate.

Description

- Manage AR accounting activities and ensure timely and accurate financial reporting.
- Monitor account receivables and maintain accurate records.
- Troubleshoot any discrepancies in financial records.
- Record transfer slips and sales from direct sales channels.
- Collaborate with the finance team to improve financial processes and procedures.

- Ensure compliance with applicable laws and company policies.
- Participate in financial audits and implement audit recommendations.

Job Offer

- A competitive salary range of JPY 4,000,000 to JPY 6,000,000.
- Bonus opportunities.
- Employee discount program.
- Comprehensive insurance coverage.
- Retirement package.
- A strong, supportive company culture with a low turnover rate.

We encourage qualified individuals who are interested in joining our Accounting & Finance team in Tokyo to apply. This is an excellent opportunity to join an international renown brand in the retail industry.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Saki Kanematsu at +81 3 6832 8904.

Required Skills

A successful AR Accountant should have:

- A good understanding of AR accounting principles and procedures.
- Experience in monitoring account receivables and troubleshooting financial discrepancies.
- Proficiency in recording transfer slips and sales from direct sales channels.
- Strong analytic skills and attention to detail.
- Excellent communication and teamwork skills.
