Job Description

We are looking for a dedicated and detail-oriented Business Controller to join our Accounting & Finance department in Tokyo. You will be responsible for preparing Financial and Non-Financial budgets, forecasts, and month-end Management reports for our different divisions.

Client Details

Our client is a large organisation in the Health care industry with a global presence. Renowned for their commitment to maintaining the highest standards of service and professionalism, they are seeking a Business Controller to join their team in Tokyo.

Description

- Preparing in collaboration with local Management the Financial and Non-Financial budgets for the territory.
- Submitting budgets in line with Corporate and Regional guidelines.
- Forecasting financial outcomes for the territory.
- Responsible for the preparation of month-end Management reports.
- Analysing financial data and identifying trends.
- Assisting in the development of financial plans and budgets.

- Ensuring compliance with financial regulations and standards.
- Contributing to the overall success of the Accounting & Finance department.

Job Offer

- A competitive salary package ranging from 10M JPY to 14M JPY.
- An attractive bonus structure.
- Comprehensive insurance coverage.
- Retirement package.
- An opportunity to work in a professional, supportive and international environment.
- The chance to contribute to a leading company in the Health care industry.

We encourage all suitable candidates to apply for this exciting opportunity in our Accounting & Finance department in Tokyo. Your skills and experience as a Business Controller can make a significant impact in our company.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Saki Kanematsu at +81 3 6832 8904.

Required Skills

A successful Business Controller should have:

- A strong understanding of financial regulations and standards.
- Excellent communication skills to effectively collaborate with the Management team.
- A proven track record of preparing budgets and forecasts.
- The ability to analyse financial data and identify trends.
- Proficiency in preparing month-end Management reports.
- A degree in Accounting, Finance or a related field is beneficial.
- Japanese fluency and business English proficiency for internal communication with the overseas HQ.
