Job Description

This position of Commercial FPA Manager in Tokyo requires a highly competent individual to provide strategic financial support and leadership within the FMCG industry. Lead a smaller size FP&A team in Tokyo office of the European FMCG company.

The ideal candidate will possess strong analytical skills, an eye for detail, and the ability to work effectively as part of the Finance department.

Client Details

Well-known and loved globally European FMCG company with a global presence and the high quality of products. In Japan there are close to 200 staff and the company has been in the market for a few decades.

Description

- Lead the budgeting, forecasting, and long-term planning processes within the Commercial division.
- Manage a small size team 1-2 staff.
- Analyze financial data and create financial models for decision support.

- Report on financial performance and prepare for regular leadership reviews.
- Evaluate financial performance by comparing and analyzing actual results with plans and forecasts.
- Support the business growth.
- Support process improvement.

Job Offer

- Commercial FP&A scope of responsibilities
- Company in Japan shows a strong financial performance
