Job Description

The Business Controller role is a crucial member of the Accounting & Finance team, responsible for FP&A, budgeting, financial forecast, profit and loss analysis, actual vs. forecast, financial business partnering, and cost control.

Client Details

The company is a well-established, large organisation that operates internationally, with a significant presence in Japan. It is a reputable entity in the health care industry, known for providing top-tier services, and is headquartered in Tokyo.

Description

- Conduct financial planning and analysis to guide strategic decisions.
- Prepare and manage the company's budget to ensure financial efficiency.
- Develop accurate financial forecasts to predict company performance.
- Perform analysis of profit and loss to identify areas for improvement.
- Compare actual results with forecast results to track company progress.

- Partner with other departments to provide financial insights for decision making.
- Implement cost control measures to optimise company resources.

Job Offer

- A competitive salary ranging from JPY 10.7 million to JPY 16 million per annum.
- A comprehensive benefits package including bonus, insurance, and retirement package.
- A professional and collaborative working environment in Tokyo.
- The opportunity to work in a large organisation within the health care industry.

This is a great opportunity for an experienced Financial Controller to contribute to a leading health care organisation. We strongly encourage candidates who meet the criteria to apply.
