Job Description

This role is for a SOX Audit position in the Audit department of an International Insurance company. The position is a great fit for an individual with fluency in Japanese, business level English, and experience in the Insurance industry, particularly with US-SOX or J-SOX.

Client Details

The company is a global player in the insurance industry. It is located in central Tokyo and is known for its diverse, inclusive culture and commitment to employee development.

Description

- Implement and manage SOX procedures.
- Conduct internal audits and report findings.
- Provide support in risk assessment activities.
- Collaborate with various teams to ensure compliance with regulations.
- Assist in the development and execution of training programs.
- Report to the senior management about audit operations.
- Develop strategies to prevent or deal with violations of legal guidelines and internal policies.

- Ensure the company's policies comply with the regulatory environment.

Job Offer

- A hybrid work model, allowing for a balance between office and remote work.
- A supportive and inclusive company culture, promoting growth and development.
- Opportunities for further professional development within the insurance industry.

As well as a long list of additional benefits that will be listed on the official JD.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Carl Iso +818046764473.

Required Skills

A successful candidate should bring:

- Fluency in Japanese, with business level English skills.
 - Experience with US-SOX or J-SOX.
 - Familiarity with the insurance industry, including consulting.
 - USCPA or CIA certificate holder.
