Job Description

OUR CLIENT

An award winning, public listed company in the manufacturing industry is keen to acquire talent as a Senior Finance Manager based in Rawang, Selangor. In this role, you will oversee the overall finance operations, management, and reporting across 4 businesses.

JOB DESCRIPTION

- Ensure the accurate upkeep of financial records, accounting systems, procedures, and controls.
- Ensure adherence to financial regulations, laws, and timely submission of financial reports according to local guidelines, statutory requirements, and company policies.
- Oversee all financial aspects including timely preparation of financial and managerial reports, tax calculations, and result analysis.
- Conduct financial planning, forecasting, modeling, and analysis to facilitate strategic decision-making and lead the annual budget finalization process.
- Establish efficient internal control measures, including cash flow and treasury management.
- Lead and manage the finance team, promoting a culture of excellence aligned with organizational goals.
- Coordinate with stakeholders and external parties like auditors, tax agents, and bankers.
- Undertake additional projects and tasks as assigned.

ROLE REQUIREMENTS

- At least 5 years of Finance experience in manufacturing environments. Experience in the automotive industry is a plus.
- Degree in Accountancy or a professional accounting qualification such as ACCA, CIMA or equivalent.
- Computer literate with experience on ERP system and knowledge of MS Office.
- Good analytical and problem-solving skills.
- Proactive, result oriented, good communication and interpersonal skills.
