Job Description

COMPANY OVERVIEW

One of our clients, specializing in strategic communications, management, and technology consulting for global, regional, and national public and private organizations across Rising Asia, is seeking a Senior Video Editor and Visual Storyteller in Kuala Lumpur. The ideal candidate will have prior experience in designing successful public affairs campaigns, with a focus on video work preferably someone who can film and edit independently. Responsibilities include developing impactful video content, planning and editing high-quality videos, and ensuring consistency with client branding across various platforms.

JOB RESPONSIBILITIES

Strategic Video Content Creation

- Collaborate with managers and senior leadership to create impactful video content for client objectives and internal communications.

- Plan, film, and edit high-quality videos, including promotional materials, interviews, and campaign assets.
- Produce video content focused on public affairs, advocacy, and high-profile campaigns.
- Conceptualize storylines, create compelling narratives, and ensure consistency with client and the company branding.
- Edit videos for various platforms, ensuring optimal quality and adherence to platform-specific requirements (e.g., social media, web, presentations).

Creative Direction and Adaptability

- Develop video storyboards and collaborate on creative direction with internal teams.
- Stay updated on industry trends and best practices to keep video content innovative and engaging.
- Work independently on end-to-end video production, from pre-production planning to post-production editing and final delivery.
- Use creative problem-solving to meet project challenges and deadlines, adapting to changing requirements.

JOB REQUIREMENTS

- Diploma or Degree in Film Production, Multimedia Design, Visual Arts, or related field.
- Minimum 5+ years of experience as a Video Editor or similar role, with proficiency in camera operation and filming.
- Preferred experience in public affairs or advocacy-related projects.
- Proficiency in video editing software (Adobe Premiere Pro, Final Cut Pro); knowledge of After Effects and other motion graphics tools is a plus.
- Strong eye for composition and detail in filming and camera operation.
- Excellent understanding of visual storytelling and pacing.
- Collaborative with strong project management skills and ability to work under pressure to meet tight deadlines.
- Flexibility to work long hours and adapt to evolving project needs.

Application Requirement

- Include a portfolio showcasing your most relevant and proudest work.
