Job Description

A multinational restaurant chain is looking for a Senior Purchasing Executive to manage procurement activities.

Key Responsibilities:

- Develop and implement effective purchasing strategies to source and acquire food and beverage products, raw materials, and equipment.
- Identify, evaluate, and establish relationships with suppliers and vendors to ensure consistent quality.
- Negotiate pricing, contracts, and payment terms with suppliers and vendors to optimize costs.
- Coordinate with inventory, operations, production, and quality assurance teams to align procurement with operational needs and maintain optimal stock levels.
- Track and manage orders to ensure timely delivery and prevent supply disruptions.

- Provide regular updates on procurement activities, pricing trends, cost analysis and supplier performance to management.
- Manage ad hoc tasks as assigned (might be involved in Menu Development).

Requirements:

- 3-5 years of experience in a purchasing or procurement role in the F&B Retail industry
- Strong negotiation and contract management skills with the ability to secure favourable terms
- Excellent communication and interpersonal skills to collaborate with cross-functional teams
- Preferably familiar with food industry regulations and compliance requirements
- Proactive problem-solving mindset and the ability to work independently
