Job Description

Company and Job Overview

A financial shared service company specializing in manufacturing is seeking for a talent with 3 to 6 years of experience in shared service Accounts Payable (P2P/PTP). This role requires an individual capable to process invoice, ensuring the accuracy of the suppliers' data, and to complete the other relevant accounts payable reporting tasks.

Job Responsibilities

- Conduct routine analysis of accounts payable, ensuring supplier data accuracy and timely invoice processing.
- Verify the accuracy and completeness of accounts payable accruals and other reporting tasks to meet departmental objectives.
- Participate in various projects (e.g., audits) by analyzing data, testing solutions, and making recommendations to support departmental or company-wide goals.

Job Requirements

- Bachelor's degree in accounting or a related field.
- Minimum of 3 years of shared service accounts payable P2P/PTP experience required.
