Job Description

Company and job overview
Our client is looking for a skilled Shopify Website Developer to join our team in Hoi An.

Job Responsibilities
- **Shopify Development:** Manage the development of our Shopify website, adding new features and functionality, and optimizing for performance.
- **Collaboration:** Work with other developers to ensure smooth integration.
- **Store Transition:** Transition the online store from a page builder to native Shopify functionality.

Job Requirements
- **Back-End Development:** Handle back-end development tasks based on skillset.
- **Shopify Development:** Expertise in Shopify (Liquid) development.
- **English Proficiency:** Ability to communicate in spoken English with an English-speaking manager.
- **Website Optimization:** Strong skills in website page speed optimization and best practices.
- Previous experience working on or building custom functionality for other Shopify stores.
